

Computer Architecture Laboratory

Assignment 3

-Chirantan (200020013)

-Tanish H Talapaneni (200020050)

The total number of cycles and the total number of instructions obtained in our program are the same, as available in statistics.java. Here is the corresponding data:

Test Case	No. of cycles	No. of Instructions
descending	277	277
evenorodd	6	6
fibonacci	78	78
palindrome	49	49
prime	29	29
